

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 1127 - HB 1205

March 26, 2015

SUMMARY OF BILL: Adds new section of law under the Solid Waste Disposal Control Act that requires landfills located within a 15 mile radius of an asphalt shingle recycling facility to refuse to accept such shingles. Requires the Underground Storage Tanks and Solid Waste Disposal Control Board to post the name and address of each site pursuant to the issuance of a permit-by-rule on its website. Requires each asphalt shingle recycling facility to submit an annual report, no later than January 31 of each year, to the Board detailing the quantity of asphalt roofing shingles received the previous calendar year, the beneficial uses of the shingles in the previous calendar year, the quantity of shingles used in each beneficial use and the quantity and disposition of shingles received but not put to a beneficial use.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- According to the Department of Environment and Conservation, the department already maintains the name, address, and permit information for asphalt recycling facilities on its website and as a result, any fiscal impact as a result of the bill is estimated to be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
